**December 2020**

## Christmas Tree Event

While we cannot host a Christmas Feast and Concert, we are excited to try something new! Each class will be heading out to cut down their own Christmas tree and then making decorations for them. Then on Thursday, December 17 at 6:00pm, we will invite families to come to the school and see our outdoor Christmas Tree Celebration. There will be music (no singing), twinkly lights and hot chocolate! We can't wait to celebrate with you.

## COVID-19

With the rising cases in every province and territory, KDS continues to make health and safety our priority. We are wearing our masks and washing our hands. Toys and equipment are either being disinfected or left for 72 hours in between uses. Please note the **new screening tool** that is attached to the newsletter. Screening is the most important thing we can do to keep the school safe. If you have any symptoms, please stay home. If you have any questions, please call us and we will do our best to answer them!

## Culture Afternoons

The afternoon On-the-land program will continue for the rest of the winter. Please make sure students are dressed for the weather. While we do have a canvas tent set up as a warming centre, the more time spent outside the better! Students have been getting out on skis, playing games outside, and learning tool safety through some basic wood carving projects.

## Missed Parent Teacher Interviews

Report cards when home on Monday, November 23. If you missed Parent Teacher Interviews, please give us a shout. We love to brag about the wonderful things your child is doing!
